2 LIVINGSTONE ROAD,
NG3 3GG

29TH JANUARY 2022

3 - 4:30 PM

THE MIXED REALITY LAB
SCHOOL OF COMPUTER SCIENCE
UNIVERSITY OF NOTTINGHAM
JUBILEE CAMPUS

Join us for tea/coffee & tell us what you think!

- For the first workshop, we have adapted Jack and the Beanstalk to create an interactive storytelling experience.
- We will cover your travel cost and refreshments will be available.
- Several workshops will take place during 2022-23. Participants can take part in one or more and help us evaluate the app at various stages of its development.

The workshops are run by the University of Nottingham, in partnership with Makers of Imaginary Worlds, Nottingham Playhouse, Nottingham City Libraries and Lakeside Arts.

Calling All

**Fathers, Mothers, Grandparents
Children are welcomed but not required.**
